Bowfell Road, W6

£1,265 pw (£5,902 pcm)

A stunning redeveloped family home, with four bedrooms, two bathrooms, private garden and unique architectural features. A great property for entertaining and relaxing.

The house has been cleverly designed to make use of all of the space and natural light, as well as modern innovations such as underfloor heating throughout. The garden is easily maintainable and has side access from the road.

The house is entered in to a lobby which leads through to the high quality German kitchen with double oven, a wine cooler, and a large central island. There is a step down to the living area which has a unique oak flooring and lots of light.

The master suite is on the first floor with walk in wardrobe and en suite bathroom. Natural light floods in through the Velux windows and front bay. Another bedroom, ideal for a child or for use as a study, is on this floor too.

Over the top floor are two further double bedrooms and a family bathroom. Each room has storage built in and extra space in the eaves has been utilised well.

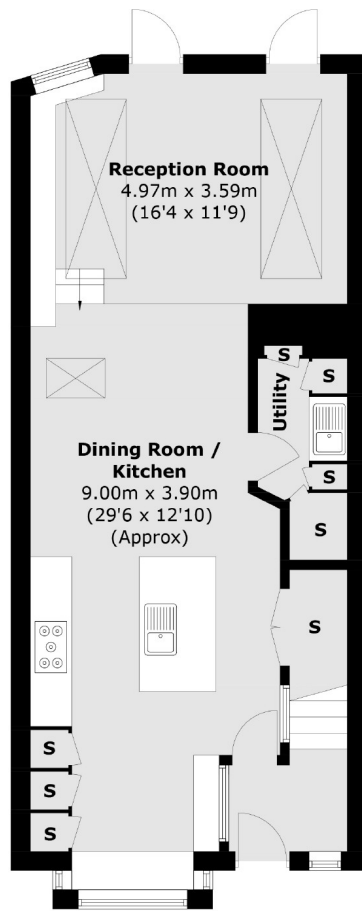

The location of this property is highly sought after for the proximity to transport links and the river, as well as the famous restaurants and gastropubs locally such as The Crabtree and The River Cafe.
