

ELLINGTON COURT
MAIDENHEAD

BOYN VALLEY ROAD, MAIDENHEAD, BERKSHIRE SL6 4DT

Welcome to Ellington Court, Maidenhead

Maidenhead Bridge built 1777

Ellington Court is
set in the vibrant market
town of Maidenhead in
the Royal Borough
of Windsor

Ellington Court offers a choice of 1 & 2 bedroom apartments with allocated parking off Boyn Valley Road in Maidenhead.

Maidenhead enjoys a strategic and historic location with the Thames Valley, just 30 miles west of central London and in the heart of the M4 science and technology corridor on the river Thames. Other key towns in the region are within easy reach with Reading 15 miles to the west, Slough 5 miles to the east and Windsor approximately 7 miles to the south east.

Maidenhead railway station offers direct services to London Paddington, Slough, Reading and Didcot, with additional

connecting services to the midlands and south west. Once implemented, Maidenhead will be the penultimate western terminus of the Crossrail Elizabeth line and will offer a service that will provide a direct line into central London in under an hour.

For shopping, Maidenhead offers a range of more than 200 large and small shops, focussed around the pedestrianised High Street and adjoining traditional streets including well-known names such as Pandora, WHSmith, Marks & Spencer amongst others.

There is nearly £1 billion of investment is expected in Maidenhead town centre over the next 10 years with an ambitious regeneration plan including 100,000 sq.m. of office space, redeveloped streets and spaces, improved parking and transport interchange as well as an enhanced leisure and cultural offerings for the town.

Maidenhead already
offers enviable transport
connections with
Crossrail promising even
faster journey times

Beautiful homes, attractively priced

Abbey New Homes is a subsidiary of Abbey plc whose principal activities are residential housing development in the UK, Ireland and the Czech Republic.

For two generations, the sales sign in front of our Abbey New Homes developments has become a familiar sight in the South East of England. With many thousands of homes and satisfied customers to our credit, we continue to offer 'Beautiful Homes, Attractively Priced'.

As a responsible developer we endeavour to provide information that portrays as accurate a picture as possible of your future home and we would like to point out the following:

Whilst every care is taken to ensure accuracy of all published material, we reserve the right to amend or improve the specification, materials, floor layouts and site plans. Any alteration will be clearly shown on a separate sales information sheet available in the site sales office. Please note that interior images shown in this particular brochure are indicative only and are taken from other Abbey

Developments interiors. The landscaping shown on the site layout is indicative of a matured development and, as with all new developments, is subject to approval by the Local Authority.

The artist has also tried to give some indication of how extra planting could be used to enhance the appearance of your home. As we try to provide as much variety as possible, the configuration of homes, garage positions, brick colours, windows, external treatments and levels can vary from plot to plot. We can therefore only give typical illustrations.

Thank you for visiting Ellington Court. If you require any further information please refer to the site sales representatives who will be happy to help you choose a house of which to be proud.
