## SITUATION

Stoke Gabriel is a highly regarded riverside village set within an Area of Outstanding Natural Beauty at the head of a creek on the River Dart, approximately four miles south-east of Totnes. The older part of the village lies within a conservation area close to the River and Mill Pool, and much of the surrounding countryside is designated as Coastal Preservation Area. The village offers a church, primary school, pre-school, village hall, post office and general stores, together with two public houses, and enjoys a strong community with sailing, boating and river activities at its heart.

## DESCRIPTION

Occupying an elevated position with far-reaching views across the Mill Pool, River Dart and surrounding countryside, Silver Springs is a beautifully presented detached family home, thoughtfully improved and extended in recent years. The property is defined by light and outlook, with large picture windows framing the views and well-proportioned reception rooms creating a comfortable yet refined atmosphere. A south-facing decked terrace and landscaped gardens enhance the setting, offering privacy and an ideal environment for both everyday living and entertaining.

## ACCOMMODATION

The property is entered via a sun room which leads into the entrance hall.

The sitting room is a particularly attractive space, filled with natural light from large windows and enjoying superb views, complemented by a wood burner. A separate dining room provides ample space for formal entertaining.

To the rear, the kitchen/breakfast room was comprehensively refurbished in 2021 and features an electric AGA, creating a bright and sociable heart to the home. A recently refitted utility room, installed in 2023, incorporates a new boiler and is accompanied by a separate guest WC.

On the first floor, the principal bedroom enjoys outstanding views and benefits from a well-appointed en suite bathroom with underfloor heating. There are three further double bedrooms, one with en suite shower room, together with a family shower room.

## OUTSIDE

The property is approached via a driveway leading to a garage and additional hardstanding, providing ample off-road parking.

A superb south-facing decked terrace sits to the front, partially framed by grape vine and wisteria, and enjoys open views. The gardens have been landscaped to create level, tiered areas predominantly laid to lawn, interspersed with mature shrubs, planted borders and a vegetable plot.
