Property Details

Occupying a peaceful position close to the heart of Duns, 1A Clouds is a substantial and highly adaptable family home offering an exceptional balance of character and modern living. Extending over three well-planned levels, the property provides generous accommodation throughout, complemented by excellent parking, a private courtyard garden and a versatile double garage. Charming barn-style doors feature throughout much of the home, enhancing its character.

The accommodation has been thoughtfully configured to suit modern family life. Of particular note is the impressive lower ground floor, which has been transformed into a sociable open-plan living space incorporating the kitchen, dining area and sitting room. A wood-burning stove creates a warm focal point, while the layout lends itself perfectly to both everyday living and entertaining. A useful WC completes this level.

The upper floors provide five well-proportioned bedrooms, offering flexibility for growing families, guest accommodation or home-working requirements. A second sitting room, complete with a further wood-burning stove, provides an attractive retreat, while a family bathroom has been finished to a high contemporary standard. A timber slatted drying rack suspended over the stairwell makes excellent use of the generous ceiling height on the second floor.

Externally, the property continues to impress. To the rear, an attractive courtyard garden offers a private and low-maintenance outdoor space, ideal for relaxing or outdoor dining. A linked detached garage block provides parking for two vehicles and is topped by a generous studio/office space, offering excellent flexibility for home working, creative pursuits, a gym or hobby room. Separated from the main house, it provides a peaceful and practical workspace while remaining easily accessible from the property.

Combining generous accommodation, characterful features and versatile living space, 1A Clouds represents a rare opportunity within one of the Scottish Borders' most desirable market towns.
