The sitting room is a bright and welcoming space with a large window to the front, allowing plenty of natural light to fill the room. Off the hallway, a door leads to a separate WC and storage space, which could also be adapted for use as a useful utility area.

At the rear of the property is the kitchen/dining room, fitted with a range of wall and base units and featuring doors that open onto the patio. A further door from the kitchen leads into the conservatory—an attractive additional living space with direct access to the garden.

Upstairs, there are three good sized bedrooms, a family bathroom equipped with a shower, corner bath, WC and basin. An airing cupboard housing the boiler is found on the landing hallway.

The rear garden offers a mix of paved, lawned, and gravelled areas, with a slabbed pathway to the end of the garden. There is useful side access from the property.

The property benefits from driveway parking and front garden.
