THE PROPERTY

Manor Cottage presents a rare opportunity to acquire a substantial five-bedroom family home, set within approximately 1.43 acres of mature gardens and grounds. Tucked away at the end of a private road, the property enjoys a peaceful and secluded setting whilst remaining within easy walking distance to the centre of Lyme Regis.

A much-loved family home, Manor Cottage has remained in the same ownership for almost 50 years. The accommodation is both spacious and well balanced, comprising a large and light-filled sitting room, with doors leading to the garden, a generous kitchen/dining room with direct access to the patio, and a comfortable snug, ideal for quieter evenings. There is also a downstairs shower room and utility room.

On the first floor are five well-proportioned double bedrooms, all enjoying pleasant views across the gardens and surrounding countryside. These are served by a family bathroom and separate shower room.

OUTSIDE

Outside, the property benefits from a substantial double garage with a useful room above, offering potential for a variety of uses, subject to planning. In addition, there are several outbuildings located both adjacent to the house and within the grounds, as well as ample parking.

The gardens and grounds are a particular feature of the property and represent a true rarity in Lyme Regis. Extending to approximately 1.43 acres, they are predominantly laid to lawn, gently sloping with a variety of mature trees, creating a peaceful and idyllic setting. A number of useful garden buildings, including a greenhouse and storage sheds, further complement the outdoor space.

SITUATION

Colway Lane is a well established and attractive residential lane within easy access of the town centre and seafront via a picturesque walk alongside the river and through the old town. Also nearby, at Timber Hill, is the golf club.
