DESCRIPTION

A tastefully converted two bedroom reverse level end of terrace barn conversion merging modern conveniences with traditional features and impressive open plan living. With a double garage in addition to a private driveway, the property enjoys a generous plot with an extensive lawned garden. The development was formerly part of the neighbouring Landue Estate and great care has been taken throughout the conversion process to preserve the integrity of the buildings. Original features include exposed roof timbers, vaulted ceilings, exposed brickwork, oak joinery and traditional slated lintels, complemented by high-quality modern finishes. The property is offered for sale with no onward chain and benefits from the remainder of a six-year Professional Consultant's Certificate.

ACCOMMODATION

The accommodation has been thoughtfully designed to enjoy rural outlooks from the first floor open plan kitchen/living space (appliances to be fitted), with modern conveniences such as energy efficient double glazed wooden windows and underfloor heating on the ground floor. With reverse level living, there are two bedrooms on the ground floor with access via the side entrance. The main bedroom has a ensuite shower room with a separate storage cupboard, whilst bedroom two has a small built in wardrobe. There is a family bathroom with a contemporary suite with bath and shower over.

A handmade wooden staircase with glass panel leads to the first floor, with an impressive vaulted ceiling showcasing exposed wooden beams to a triple aspect, open plan kitchen/diner/sitting room. With a range of built in cupboards and stylish worksurfaces, the property enjoys rural outlooks with a door to the rear decked sun terrace.

OUTSIDE

The property is approached via a private road leading to the cluster of residential barns. There is a double garage with two electric up and over doors, adjacent to a gravelled driveway with parking for two vehicles. There is a small and easy to maintain front lawn and a side entrance to the much larger garden set to the rear and side of the barn.
