LOCATION/DESCRIPTION

The property is situated on the west side of Lairgate. Lairgate is a main arterial road running through the centre of Beverley and forms part of the one-way system circumnavigating the retail core. Beverley lies approximately 10 miles north of Hull city centre and is the principal market town within East Yorkshire. The town centre is substantially pedestrianised and well represented by a large range of national retailers. The majority of the town centre is within a Conservation Area with noted landmarks including Beverley Minster and St Mary's Church.

The property comprises a shop with original living accommodation above including family bathroom. The property is constructed of solid brick beneath a pitched clay pantile covered roof.

To the rear is a single-storey building built extension under a flat roof. The property is heated by a gas fired boiler via wall mounted radiators.
