LongDescription

Situated just away from the town centre, this lovely house has a lot to offer, not only does it have a new roof but would make a wonderful home, to a young family or couple.

A footpath leads up to the front door, passing the well maintained front garden, with established plants and an inviting bench to enjoy the south facing aspect.

As you enter the property, you will see the stairs ahead to take you up to the bedrooms and bathroom, while to your right will be the entrance to the living room, which follows on to the kitchen and downstairs WC.

The living room is a good size, with wonderful character features. The kitchen is also a good size, plenty of space for a table and chairs, with a nice outlook to the rear garden. Another feature of the kitchen is the large under stairs storage, perfect for a fridge/freezer or a potential larder.

On the first floor are two bedrooms, and a family bathroom, the bathroom is very spacious and benefits from a separate bath and shower. Both bedrooms have brilliant built in storage. The master bedroom storage is vast, and has potential to be a superb walk in wardrobe or dressing room.
