

8 Irving Grove, , Corby NN17 2BL Offers Over £250,000

Lucas Estate Agents are pleased to be offering this deceptively large, extended property to the market with NO ONWARD CHAIN. Featuring a double storey extension and 2 brick built outbuildings including a shower room and utility room, this property would make a great family home and is a turn key property. Walking into the front door you will find a lovely light hallway which opens on to the kitchen. To the right is the downstairs WC which is larger than average and could easily make a fantastic utility room/downstairs shower room. Into the kitchen you have a lovely, large open plan area which has been designed with maximum light in mind featuring a large roof light and French doors onto the garden. The dining area is big enough for an 8 person table as well as the lounge being almost 5 metres long enabling you to have multiple sofas or a corner sofa. The kitchen itself is made up of base level units along with a large pantry cupboard and features built in oven and hob as well as a butler style sink. Upstairs you will find 3 large bedrooms, bedroom 1 has built in wardrobes and room for a king sized bed, bedroom 2 is also a double room with views onto the front aspect and bedroom 3 could easily fit a double bed and wardrobes and looks over the rear of the property. The family bathroom upstairs has been fitted in the last 6 months and features brand new bath with shower over, as well as new tiling and a heated towel rail. Outside you will find parking for 5 cars, 2 on the drive and 3 behind the gate. There are 2 brick built outbuildings, 1 with a shower and is fitted as a utility room and one that is great garden storage. The garden is mainly laid to lawn with a patio outside the kitchen French doors and a path that leads to one of the outbuildings. Irving Grove is a very quiet cul-de-sac but is walking distance to shops and doctors/pharmacies. Corby railway station is a 6 minute drive with trains into London St Pancras in under an hour.

Tenure: Freehold
Energy Rating: C
