DESCRIPTION

Joran House is a very well presented, modern detached family home recently upgraded and extended by the current owners. A welcoming entrance hall provides access to the principal ground floor accommodation and staircase to the first floor. To the front of the property, the elegant sitting room is a particularly generous reception space, enjoying a dual aspect and a wood burner.

To the side, the impressive open-plan kitchen/dining/family room forms the heart of the home, offering an excellent space for both everyday living and entertaining. The kitchen is fitted with a range of high quality units with an Induction Range for cooking, a range of integrated appliances and space for a large fridge freezer and central island. The room flows seamlessly into the dining and family areas, with bi-fold doors opening to the garden and a roof lantern allowing plenty of natural light.

Leading off the hall is a useful study, ideal for home working, together with a snug providing a cosy additional reception room or a ground floor bedroom. A utility room and cloakroom complete the ground floor accommodation. On the first floor, the principal bedroom benefits from fitted wardrobes and an en suite shower room. There are two further well-proportioned double bedrooms served by a contemporary family bathroom.

OUTSIDE

The house sits roughly in the middle of a generous, level plot of just under 0.5 acres which is mainly laid to lawn and screened by mature trees and bushes. To the front is a large detached garage with parking to the front and additional parking to the rear ideal for storing a trailer.

Leading off the family room is a South facing terrace ideal for outside dining with a BBQ area, laid to patio with a substantial garden gazebo. Throughout the garden are a number of trees and there is a wooden shed.
