DARTNELL PARK ROAD WEST BYFLEET, KT14

ASKING PRICE: £1,375,000

An impressive four/five-bedroom detached family home, privately positioned behind electric gates and offered to the market with no onward chain. Finished to a high standard throughout, the property combines generous accommodation with excellent flexibility for modern family living.

The ground floor is centred around a substantial open-plan kitchen, living and dining room, creating a space for everyday life and entertaining. Two additional reception rooms provide valuable separation, while a dedicated study is ideal for home working.

Upstairs, the principal suite is a real highlight, featuring a walk-in wardrobe and en-suite bathroom. This space was previously arranged as an additional bedroom and could be converted back to create four bedrooms on the first floor, with a Jack and Jill bathroom. Two further bedrooms and a family bathroom complete the accommodation. Outside the double garage is already wired and plumbed, providing excellent potential for conversion into a self-contained annexe, gym or home office, subject to the necessary consents.

The property is found within walking distance of the charming commuter village of West Byfleet that offers an excellent range of major chains, restaurants, and individual boutiques including a Waitrose supermarket. West Byfleet mainline station with trains reaching London Waterloo in approximately half an hour sits within the heart of the village.
