Peterborough Road, Farcet Peterborough

An established family home which is set in a pleasant non estate location & offers a generous rear garden which has the potential for an additional plot if access can be agreed with a neighbour & suitable planning consent obtained. Of additional interest is the garage, which is approx. 19ft long and currently used as a well proportioned workshop and would revert to garaging by simple re-instatement of garage doors. With scope for further upgrading, this property could become your ideal family home and must be viewed to fully appreciate.
