The Guide Price:

The Guide Price quoted must not be relied upon by prospective purchasers as a valuation or assessment of value of the property. intended to indicate the region at which the reserve price is intended to be set. The seller will confirm their final reserve price close to the auction date and if appropriate the auctioneers may adjust the guide price to reflect this. Prospective purchasers and bidders attend properties entirely at their own risk. Particular care should be taken when accessing cellars, attics, exterior grounds and outbuildings and boundaries. All non-conducted inspections of vacant sites should be made in daylight hours only and entry into such sites is entirely at the viewers risk.
