A traditional three double bedroom detached bungalow situated on a small cul-de-sac of high quality individual homes in a highly regarded suburban location off Nottingham Road within easy access to excellent local facilities.

Shaldon was built c.1953 and our clients are only the second owners who have occupied the property for the last two decades. The property provides a well presented single storey dwelling with modern kitchen and bathroom, gas central heating and UPVC double glazing. The accommodation comprises an entrance hall, a large, L-shaped open plan lounge/dining room and a modern kitchen with integrated appliances and a pantry. There are three double bedrooms, all with fitted wardrobes, and bedroom three is currently utilised as an office. Completing the accommodation is a further hallway area leading to a modern bathroom with a bath and separate shower and a separate second WC.

OUTSIDE

The property occupies a good sized plot in a highly regarded suburban location off Nottingham Road. The property stands back and slightly elevated from Forest Hill behind a low brick wall boundary frontage with a long driveway providing off road parking for at least four cars leading to a large garage with two adjoining outhouses. The front garden is laid to lawn with established shrubs and trees. A long pathway to the other side flanked by a low walled boundary leads to a wide hardstanding area which continues beyond the kitchen to a wide pedestrian gate which provides access to the rear garden. To the rear of the property, there is a hardstanding patio which extends to paths across the full width of the property and continues alongside the side of the garage. A central pathway leads to a sandstone patio seating area and to three lawn sections. There are ample deep borders with a variety of mature plants and shrubs throughout the garden. There are two outhouses, side access into the garage and an outside tap.
