SITUATION

Hillway occupies an outstanding and enviable private position in the heart of Exmoor National Park enjoying stunning moorland views. The house is situated at the end of a private drive. Both the house and cottage enjoy glorious views over the farm's land towards Withypool Common. Whilst enjoying a secluded setting, the property is within easy reach of nearby Withypool, one of Exmoors most popular villages with its famous Royal Oak Inn, a church, a village hall, post office and store.

The nearby town of Dulverton, 8 miles away is well known as The Gateway to Exmoor and offers a variety of shops, together with a post office, chemist, doctors, veterinary practice, dental surgeries, library, primary school and three churches. There are also good recreational facilities. The larger market town of South Molton is about 12 miles to the west. Communication links are good with the A361 link to the M5 at Junction 27. Tiverton Parkway is a mainline railway station providing regular services to London Paddington in under two hours.

INTRODUCTION

Approached via its own private drive, the property enjoys the most wonderful setting surrounded by its own land. The house itself includes a stunning drawing room and kitchen/breakfast room both with fine views towards the moor. Together with the cottage, outbuildings, land and fishing, this is an exciting opportunity to acquire a truly magnificent home in the most outstanding setting.
