E

Council Tax Band: A

This one bedroom house offers an excellent opportunity for buyers seeking a home they can make their own.

Arranged over two floors, the accommodation feels more substantial than many one bedroom apartments and provides a practical layout with a comfortable living space together with a fitted kitchen offering good storage and workspace.

Upstairs, the property benefits from a double bedroom, while the bathroom is positioned on the ground floor, creating a layout that differs from the more conventional arrangement and makes good use of the available space.

The property would now benefit from some cosmetic updating in places, giving future owners the opportunity to refresh and adapt the accommodation to suit their own tastes and requirements over time.

Outside, one of the property's strong features is the large enclosed rear garden, providing a good amount of outdoor space with room to sit out, garden, or enjoy the warmer months.

In addition, the property benefits from parking for two vehicles nearby, a particularly useful feature for a home of this size.

Conveniently situated for access into Tiverton and nearby amenities, the property also offers straightforward access towards the North Devon Link Road and M5.

Overall, this is a sensible option for first time buyers, investors, or buyers looking for a property with outside space, parking and scope to add their own touch over time.
