THE PROPERTY

Upon entering the property, you are welcomed by a spacious entrance foyer, with natural light flowing throughout. To the left, the generous living room enjoys lovely views across the valley, with large windows and an open log fireplace creating a comfortable and inviting space. The living room leads through to a conservatory, providing a delightful place to relax and enjoy the surrounding views. A useful WC and utility area are located just off the conservatory, together with doors opening directly onto the garden.

The conservatory provides access back into the living room and through to the kitchen/diner. Large windows and doors from the conservatory open onto the garden which allows plenty of natural light to flow in. The kitchen is a particularly light and spacious room, fitted with a range of wall and floor-mounted units and offering ample space for dining, and links back to the entrance foyer.

The bedrooms are situated to the right of the entrance hall and comprise three well-proportioned double bedrooms, together with the family bathroom. The principal bedroom enjoys a dual aspect, with views over the garden, and benefits from built-in storage and an en suite shower. Bedroom two is also a good sized double, enjoying views over the garden and benefitting from built-in storage, a shower and a separate vanity unit. The third bedroom enjoys a dual aspect with views across the valley. This room would also make an excellent home office if required. There is a large loft space which is partly boarded and benefits from a window with possibility for conversions (STP).

OUTSIDE

The property enjoys generous gardens, with far reaching views across the surrounding valley creating a truly idyllic setting in which to relax and unwind. The gardens are predominantly laid to lawn, with a greenhouse and several useful garden stores situated throughout.

To the rear, a terraced seating area and well-stocked beds rise towards the wildlife haven with trees and wildflower areas, from where there are stunning views across the valley and a wonderfully peaceful outlook.

The property also benefits from a generous parking area and a large garage with windows and an electric roller door, which could make an excellent workshop.
