A well maintained three bedroom semi detached property with superb scope to extend (STPP).

Ground Floor
The ground floor is accessed via a welcoming entrance porch that opens into a generous hallway. From here, you are led into a bright and spacious reception room, interconnecting to a dining room. This flows directly into a sunny conservatory, which is also accessible from the separate kitchen. This bright conservatory leads directly to the garden via French windows, opening out onto a beautifully positioned and secluded garden.

First Floor
The first floor comprises a landing with loft access, three bedrooms—including two generous doubles—and a generous sized bathroom. The spacious layout upstairs perfectly complements the ground floor, making this an ideal long-term family home.

Outside
The back garden is an exceptional size, and amongst the largest in the street. Mainly laid to lawn, with a variety of trees and shrubs.

The Location
Hemel Hempstead is a popular new town in Hertfordshire with a mixture of new, modern and older architecture and enjoys numerous open green spaces including the recently rejuvenated Jellicoe Water Gardens in the town centre.

Situated 24 miles to the northwest of London and conveniently served by the M1 and M25 motorways, Hemel Hempstead has quickly grown in popularity in the last few years. We have seen more migration from the London suburbs, largely due to its fantastic commuter links including the London Northwestern Railway Overground train to London Euston taking only 35 minutes. Both London Luton and London Heathrow airports are easily accessible via the M1 and M25 respectively. The town centre has recently been regenerated and is now a vibrant busy attraction. The Marlowes indoor shopping centre offers chain and independent shops whilst the outside Riverside boasts a number of larger chains.
