A wonderful opportunity to purchase an extended three/four bedroom family home in the village of Congresbury. 1 Southside is being offered to the market with the significant advantage of no onward chain, and boasts extended living accommodation that provides beautifully balanced and highly adaptable accommodation, perfectly suited to modern family living. Upon entering, the property immediately impresses with its versatility and abundance of natural light. At the heart of the home lies a well-appointed dual-aspect kitchen/breakfast room, a sociable space ideal for both everyday family life and entertaining alike. The kitchen flows seamlessly into the impressive extended sitting room, creating a wonderful open feel between the two principal living spaces. Bathed in natural light from windows to two elevations and French doors opening onto the garden, the dual-aspect sitting room offers a welcoming environment in which to relax, whilst benefitting from the added comfort of underfloor heating. A useful utility/boot room and cloakroom enhance the practicality of the ground floor, while a further generous reception room provides excellent flexibility and could serve as a family room, formal dining room, home office or ground floor fourth bedroom, making the property ideal for a variety of lifestyles and family arrangements. To the first floor, three well-proportioned bedrooms are arranged around a central landing and are served by a modern family bathroom. The accommodation as a whole offers a wonderful sense of flexibility, allowing future owners to tailor the space to their changing needs over time.

The rear garden has been thoughtfully designed to provide an attractive balance between entertaining space and family-friendly practicality. Immediately adjoining the property, a paved patio spans the full width of the house, providing an ideal space for morning coffee and everyday outdoor enjoyment, whilst beyond, a generous raised timber deck creates a wonderful setting for outdoor dining and summer gatherings, offering ample space for garden furniture and enjoying a pleasant outlook across the garden. Steps descend to a level lawn, providing an excellent area for children to play or for keen gardeners to personalise further. Mature trees, established shrubs and well-stocked borders combine to create a delightful sense of privacy and enclosure, while the abundance of greenery softens the boundaries and enhances the garden's peaceful atmosphere. A secure gated side access provides a convenient route to the front of the property, particularly useful for families, pet owners and those returning from walks. To the rear of the plot, a substantial timber shed provides useful storage for bicycles, gardening equipment and outdoor furniture. The property is approached via an attractive frontage, where a beautifully established front garden provides both an excellent first impression and a welcome degree of privacy. Enclosed by traditional timber picket fencing and mature hedgerow planting, the garden is predominantly laid to lawn and complemented by a variety of carefully positioned shrubs and ornamental trees that add colour and texture. The green and leafy setting creates an appealing outlook and a charming approach to the front door, while the generous lawned area softens the frontage and enhances the property's attractive end-of-terrace position. A driveway to the side provides convenient off-street parking and further practical appeal.

Southside is a peaceful cul-de-sac located in the extremely sought after village of Congresbury, home to some traditional pubs offering great ales and good food. The primary school of St Andrew's is close by and secondary schooling can be found at Churchill Community School. The village is also a fantastic commuter base with Bristol, Clevedon and Weston-super-Mare all being within a short drive. There are train links to Bristol, Bath, London, and the West Country located at the nearby village of Yatton and frequently running buses.
