Description

Hazelhurst is an outstanding and impressive detached Victorian residence providing a splendid family home of generous proportions and accommodation of approximately 3793 square feet set over three floors. Tucked away behind partly walled gardens in this prime location, it is ideally placed to enjoy all the conveniences of the town yet with the added benefits of space and privacy. The property is beautifully presented and is a fine example of Victorian architecture. It includes many period features which have been blended well with 21st century refinements while also benefiting from notable improvements including reconditioned windows, internal secondary glazing and a new central heating system. The setting and private, secluded gardens are lovely and are accessed via an electric gate which also leads to extensive parking.

Accommodation

Entering the house via the front door, you are greeted by a spacious porch, stained glass door and a superb hallway with stairs leading to the upper floors. On both sides are delightful, light-filled reception rooms to the front of the house. Both have a feature fireplace and a large bay window which makes an attractive focal point. The third reception room has similar proportions and details with a bay window looking out onto the rear garden. The impressive kitchen breakfast room includes a solid wood custom-built kitchen which comprises a good range of units and central island with granite worktops, integrated appliances including a Miele dishwasher and electric oven as well as three-oven gas AGA and space for an American-style fridge. A door from the kitchen leads to a useful utility room, a pantry/store room and there is a door out to the side patio. At the end of the ground floor hall is the bright and versatile conservatory, currently used as a study and enjoying views over the rear garden, with a cloakroom WC.

Accessed via the original mahogany staircase, with its striking stained-glass window, the first floor comprises four bedrooms in total. Two impressive bedrooms feature bay windows, while the other two bedrooms benefit from a Jack and Jill-style bathroom, fitted with a shower cubicle, bath, WC and washbasin. A separate family bathroom features wood flooring, tiled walls, a shower cubicle, Jacuzzi bath, WC and washbasin.

The second floor forms the master suite, comprising a spacious double bedroom, a separate dressing room with built-in wardrobes, and a bathroom with shower, bath, WC and washbasin. There is also a further bedroom/sitting room, providing a versatile additional space.

Outside

The gardens and grounds are a particularly attractive feature, offering a wonderful combination of privacy, seclusion and versatility. The property is approached via electric gates, opening onto a generous gravelled parking area with ample space for several vehicles, as well as a motorhome or boat. Well-stocked borders surround the parking area, providing a good degree of privacy and creating an attractive approach to the house. A magnificent veranda extends around the front and side of the property, providing a delightful sheltered space in which to sit and enjoy the gardens. To the side is a natural slate terrace, ideally suited to outdoor dining and entertaining, which leads naturally into the main garden. The gardens are predominantly laid to a large, well-maintained lawn, complemented by a generous patio area and a useful stone-built workshop with slate roof. The whole provides an excellent space for family enjoyment and entertaining, whilst offering plenty of scope for those with a passion for gardening and landscaping.
