A rare opportunity to acquire a highly individual, front-line coastal townhouse within Edgarley Court, set just off Wellington Terrace. The current owners have thoughtfully modernised the property, complementing the sleek lines of the original 70s architecture with large windows emphasising the impact of the coastal views. Large windows on every floor beautifully frame the Bristol Channel, Clevedon Pier and the Welsh Hills beyond.

The property is entered on the upper floor, where a welcoming hallway leads into the principal living accommodation. Double pocket doors slide open to reveal a reception room with clever built-in storage, while the impressive living room takes centre stage, with sliding doors opening onto a glazed balcony and bringing the panoramic outlook firmly into the room. A cloakroom completes this level. One floor below is the contemporary kitchen, designed with a modern finish and integrated appliances, together with a breakfast bar positioned to make the most of the exceptional views across the Pier and Channel.

The lower two floors provide two generous double bedrooms, with the principal bedroom benefiting from Sharps fitted wardrobes. Both bedrooms are served by a stylish modern bathroom.

Outside, the established west-facing garden has been thoughtfully landscaped, with a terrace immediately outside the rear door leading via circular steps to further seating areas, a central lawn and a pebbled barbecue station. To the front, the remaining section of the former garage provides useful storage for bikes and garden equipment, while an allocated parking space sits across the courtyard.

An exceptional and highly individual coastal home, offering unique design, outdoor space and some of Clevedon's most captivating views, all offered for sale with no onward chain.

“A truly individual coastal home where contemporary design and ever-changing views come together.”
