Property

Entering the property through the front door we are welcomed into the entrance hall where doors open to both the sitting room and kitchen/breakfast room. On the right the sitting room provides a bright and spacious feel with a window looking to the front and a door leading into the garden room. Across the hall the superbly presented kitchen/breakfast room has been re-fitted with a range of shaker style units set against contrasting timber effect work surfaces. Two windows fill the room with natural light and a breakfast bar offers a great spot for informal dining or to simply enjoy a morning coffee. A fitted oven, hob and extractor feature along with an integrated dishwasher. Two pantry style cupboards are set to the wall and a door opens to the rear lobby. Here we find the stairs rising to the first floor, a door opens to the shower room and a door to the garden room. The garden room spans the rear of the house and provides a superb space to enjoy the gardens throughout the year. A singular side door and double French doors open to the patio, perfect when summer entertaining. A door inside opens to a fantastic cupboard perfect for our coats and boots. On the first floor the landing leads independently to all three bedrooms. At either end we find the two generous double rooms both enjoying a dual aspect, providing a view of the gardens and green spaces to the front. The third bedroom is a good sized single room currently used as a work space.

Outside

Approached from this quiet cul-de-sac we are welcomed by an extensive brick weaved driveway that allows ample parking and turning to the front of the home. An area of garden brings colour to the space whilst established but well kept laurel hedging frames the frontage. The drive leads directly to the front door whilst a path to the side leads via a gate to the rear. The grounds total 0.25 acre (stms). The rear garden enjoys the southerly aspect and is extensive! Doors from the garden room open to a large patio ideal for summer entertaining, whilst the main of the garden is laid to lawn with a variety of planted trees and border beds. Timber fencing encloses the spaces whilst three timber sheds offer excellent storage. The shed closest to the house is equipped with plumbing and power, and the second shed also includes power.
