ACCOMMODATION

A welcoming entrance porch opens into an impressive reception hall, where a striking oak staircase with glazed balustrading creates an immediate sense of space and quality. At the heart of the home is a beautifully appointed open-plan kitchen and dining room, fitted with an extensive range of contemporary wall and base units together with integrated appliances including a dishwasher, washing machine, AEG double ovens, microwave and induction hob with extractor over. The kitchen and dining areas enjoy delightful views across the gardens and adjoining countryside, providing a wonderful backdrop for everyday family life.

Leading from the kitchen is a generously proportioned sitting room and family area, featuring a bespoke oak-framed media unit, gas fire and integrated ceiling-mounted hi-fi system, creating an ideal space for both relaxation and entertaining. The ground floor accommodation is further complemented by two double bedrooms, a stylish family bathroom and a substantial study, offering flexibility for those seeking home-working space.

On the first floor are three further well-presented double bedrooms and a family bathroom fitted with both a bath and separate shower. The principal bedroom is particularly impressive, benefiting from a dressing area, bespoke fitted storage, built-in wardrobe and far-reaching views over the surrounding countryside.

A notable feature of the property is the substantial studio situated above the attached double garage. Fully insulated and connected to the central heating system, with surround sound and large picture windows overlooking the gardens, the space offers excellent potential as additional accommodation, a home office, gym or entertainment room, subject to any necessary consents.
