THE PROPERTY

Long Close is a handsome detached family home, believed to date from the 1930s, offering well-proportioned and versatile accommodation over three floors.

Upon entering the property, a spacious boot room provides the perfect space for coats, boots and outdoor wear, with a practical utility room conveniently positioned alongside. The boot room leads through to a versatile reception room, ideal as a snug, family room or home office.

Beyond lies the generously sized kitchen, fitted with a range of wall and base units and featuring an oil-fired AGA together with a separate oven and hob. Designed as the heart of the home, the kitchen provides an excellent space for both everyday family life and entertaining. A separate dining room enjoys french doors opening onto the gardens, creating a seamless connection between the indoor and outdoor spaces.

The principle sitting room is an impressive and welcoming space, centered around an open fire plan and offering ample room for family gatherings. Adjoining the sitting room is a delightful sunroom, while a foyer to the rear provides additional flexibility and would lend itself equally to use as a playroom, office space or hobby room. There is a further room, designed as a library off here.

The first floor comprises of three generous double bedrooms, one of which benefits from an en suite shower room, together with a family bathroom. All bedrooms feature built-in storage. Adjoining Bedroom 1 is a further room, currently used as a dressing room and storage, but could equally be used as a further bedroom or, subject to the necessary consents, a en suite bathroom could be created.

Occupying the second floor is the principal bedroom suite, a spacious double-aspect room enjoying an abundance of natural light and complemented by a shower room. An additional room on this floor offers excellent flexibility and could be utilised as a further bedroom, dressing room or study.
