The Property

A spacious four-storey townhouse arranged over multiple levels, offering five bedrooms, a private garden, and clearly defined living and dining spaces. Designed with larger groups in mind, the home combines generous proportions with practical layout, making it ideal for both short and mid-length stays. Situated in a residential area of Stoke Newington, it provides a comfortable and well-balanced London living environment throughout. The property is currently for sale. This means occasional viewings may take place during your stay.

No floor plan currently available

For Clarification

We wish to inform prospective tenants that we have prepared these particulars as a general guide and they have been confirmed as accurate by the landlord. We have not verified permissions, nor carried out a survey, tested the services, appliances and specific fittings. Room sizes are approximate and measurement figures rounded: they are taken between internal wall surfaces and therefore include cupboards/shelves, etc. Accordingly, they should not be relied upon for

carpets and furnishings. It should also be noted that all fixtures and fittings, carpeted, curtains/blinds, kitchen equipment and garden statuary, whether fitted or not, are deemed removable by the landlord unless specifically itemised with these particulars. Please enquire in office or on our website for details on holding deposit and tenancy deposit figures.
