Location

This property is just off the High Street in the centre of the market and historic market town of Tewkesbury. The town grew following the construction of Tewkesbury Abbey in the twelfth century and played a significant role in the Wars of the Roses. It stands at the confluence of the River Severn and the River Avon, and thus became an important trading point, which continued as railways and, later, the M5 and M50 motorway connections were established. The town gives its name to the Borough of Tewkesbury, a local government district of Gloucestershire. The town lies on the border with Worcestershire, marked largely by the Carrant Brook (a tributary of the River Avon).
