The village is a thriving and active community with a parish church, Inn, village green and children's play area, shop and post office, and village hall. Maiden Newton, a mile down the road has a primary school, GP surgery and railway station linking to Dorchester, Bath and Bristol. Dorchester and Yeovil offer rail links to London; and Bournemouth, Exeter and Bristol Airports are just over an hour's drive away. The local area also offers an excellent choice of schools in both the state and independent sectors.

DESCRIPTION

Willow House is an attractive detached house built in 1986 of standard brick and cavity construction, offering well-proportioned accommodation arranged over two floors, together with a detached double garage and a wrap-around garden. The property has a light and airy feel, with a particularly appealing kitchen and dining area, a separate sitting room with a wood-burning stove, and a garden room overlooking the enclosed rear garden.

The kitchen is fitted with white cabinetry and Italian granite work surfaces, with space for dining and direct access to the adjoining utility room. Oak flooring runs throughout the kitchen, dining area, utility and hallway, complementing the neutral décor and large windows. The sitting room provides a comfortable separate reception space, with a wood-burning stove set within a fireplace and doors opening onto the garden room.

On the first floor are three double bedrooms with built-in cupboards, served by bathroom and shower facilities, with the large master bedroom having a luxurious en suite and dressing room.

Outside, the rear garden offers areas of lawn, established planting and a paved terrace adjoining the house, providing space for outdoor dining and relaxation, whilst to the front of the property are two large terraced raised beds and greenhouse.

In all, the accommodation extends to approximately 1,620 sq ft, with the detached double garage providing a further 333 sq ft.
