ABOUT THE PROPERTY

Ty Gardd is a substantial three bedroom detached family home, built in 1999 and occupying a generous plot in the heart of the historic village of Colwinston. Well-maintained throughout, the property offers versatile accommodation, complemented by a large mature garden, an attached garage and driveway parking.

A recently hand-made solid wooden entrance door opens into a welcoming, naturally light hallway, featuring limestone tiled flooring and a staircase rising to the first floor. The generous lounge enjoys an attractive outlook over the village lane and features a central fireplace with an open fire. Beyond, the sunroom provides a delightful additional reception space, with double doors opening onto the rear garden, and presents full heating, built-in blinds and lovely garden views.

The kitchen/dining room forms the heart of the home, providing an excellent space for both family dining and entertaining. The kitchen is fitted with sleek, handleless units, a double-opening breakfast cupboard and stone-effect worktops. Integrated appliances include; a double oven with separate grill, microwave and induction hob with extractor fan. There is ample space for a dining furniture, while dual-aspect windows ensure plenty of natural light. A separate utility room offers additional storage, appliance plumbing and access to the garden, along with an adjacent cloakroom/WC.

To the first floor, the particularly generous principal bedroom benefits from fitted wardrobes and attractive views across the surrounding Vale countryside. Two further double bedrooms are served by a luxurious 4-piece family bathroom. This recently extended bathroom features; a walk-in double shower, dual-ended bath and freestanding vanity unit with quartz worktop, complemented by high-quality brass fittings throughout and 'Mandarin Stone' tiling.

GARDENS AND GROUNDS

The property is approached via a shingle driveway with ample gated parking, while a central footpath leads to the front porch. Gated side access is available to both sides of the property and the attached garage benefits from an up-and-over door and full power supply. The front garden incorporates a lawned area, with the oil tank positioned to the side.

To the rear, a predominantly private and tranquil garden centres around a generous lawn, accessible from both the sunroom and utility room, providing an ideal setting for outdoor dining and entertaining.
