Little Thickets, Forest Road

East Horsley, Surrey KT24 5BT

A charming detached chalet-style bungalow offering flexible 5 bedroom accommodation spread over two floors, with off-street parking, garage and delightful, private gardens of approx 0.35 acres.

Little Thickets, Forest Road

East Horsley, Surrey

The property is approached via semi-circular paved steps from the generous parking and driveway, with the entrance hall giving access to all the main accommodation. The eye is drawn through the open plan living/dining room towards the delightful gardens, which provide an attractive background to the house. The living area gives access to the kitchen, with single door leading to the garden and the rear garage area, which is currently used for storage but which could easily be used as a utility room if required.

The open plan area has large windows overlooking the rear gardens, along with double opening doors and a separate quiet area, ideal for the reader in the family or as a working from home/craft space.

The ground floor accommodation is completed by two generous bedrooms, one of which has ensuite facilities, and the other benefitting from a well fitted family bathroom with bath, basin and WC.

To the first floor the main bedroom is a particular feature of the home, with both velux roof windows and large windows overlooking the front, a well fitted ensuite bathroom including bath, and shower, and a built in storage cupboard.

The two additional first floor bedrooms are all of a good size, with built in storage cupboards, and share the use of the first floor family bathroom.

The attached single garage has up and over garage door, and would, subject to the usual consents, provide an ideal space to enlarge the existing kitchen, should the incoming owner so require.

The property is offered to the market with No Onward Chain, so an early viewing is recommended.
